Position Week format (home team listed second)

All teams with position week matches are to schedule the match at their joint convenience at any time. The purpose of the match is to end the season against a team of relatively similar caliber. The results do not need to be reported. The outcome has no further bearing on the standings. Where there are an odd number of teams, there is one team assigned to schedule two position week matches OR arrange for a friendly round-robin event with the other two teams. The home team for the position week matches are responsible to assign and pay the referees. Do your best to get the matches played. Enjoy!

Semifinal format

Teams with the most goals at the end of regulation time advance. In the event of a tie at the end of regulation time, teams will play two five minute golden goal overtime periods. The first team to score is declared the winner and advances to the final. If the teams are tied at the end of both overtime periods, FIFA style penalty kicks will be used to determine advancement.

The winner of the semifinal match is requested to report your result by sending a text message to 860-424-1502 and 860-978-1592 and to send an email to the district mailbox results@cjsaned.org to confirm your participation in the final on Sunday. The finals are held at Mansfield Lions Field complex. This is on Route 89 one mile east of the intersection of routes 89 and 195.
